

Girlguiding needs you!

Do you want to learn new skills, do you want to help develop young girls aged 5-7 with confidence to work as a team and independently all whilst having fun? If you enjoy making a positive difference to the lives of girls and young women in your local area, then we look forward to hearing from you. Could you help at a meeting on a regular basis, or can you share a skill? Were you a Brownie or a Guide? Come and see what has changed and what hasn't.

You don't have to be a mum or even a parent to join the Rainbow unit, we welcome any age or gender, you could be retired and looking to fill some time or a local parent with a young daughter who would miss out if the unit closed. Or new to the area and want to meet other people. Some of our units have been set up using a group of friends or work colleagues who want to create a team together. We welcome anyone who wants to help a community charity.

We need adults to lead the High Wych Rainbows, if we do not find adult volunteers then unfortunately the unit will close in July 2018. The unit has been running for 21 years. The current leadership team have all agreed to support the unit for this year, and help train the new team.

Please do let us know, and if you have any questions about what guiding involves, come and see us at the end of a meeting or just give us a call/email, we are all passionate about guiding, and what it offers young children. If you're not sure what we do... come and visit! Thank you, from all the Leaders at 1st High Wych Rainbows. 1sthwr@gmail.com or 07780534126 (Ellen Downing)
