

## **A BIG THANKYOU**

Now that the major phase of the hall upgrades are complete, we would like to take this opportunity to thank all of our customers and users for their understanding during the inevitable disruption that was caused during the works. We shall be continuing the improvements to our hall, starting with a complete refurbishment of the accessible toilet, in the near future. N.B. This work is not expected to cause any disruption to the availability of the hall. We will provide further information as and when it becomes available.
