## **Opening and Closing the Memorial Hall**

The Memorial Hall will be opened for your hiring by the Hall Caretaker from the commencement of your booking and will be closed for you at the time you have indicated. **Make sure you have allowed sufficient time in your paid for booking for setting up and clearing. Additional time used and not booked for is liable to additional payment.** Please ensure that any outside caterers, contractors and bar staff are aware of the hire period and that they will not be able to enter before or leave after the hire period. In case of difficulty, please contact the Hall Caretaker by telephone on 07508 937861 or by email at [chris-ashworth@hotmail.co.uk](mailto:chris-ashworth@hotmail.co.uk)

## **Health and Safety**

Hirers are required to familiarise themselves with the Fire Action Notices displayed around the Hall. In the event of a fire, the Memorial Hall should be evacuated in an orderly manner using the appropriate exits and the Fire Brigade called by dialling 999.

Hirers and guests are to gather at the designated Assembly Point located at the back of the village car park. The exact location of the nearest fire exits and fire extinguishers must be noted before the Memorial Hall is occupied and the manner of opening the Fire Doors should be made known to your guests.

The fire doors adjacent to the servery hatch are to remain UNLOCKED whilst the Hall is in use. It is the Hirers responsibility to ensure that these doors are locked before vacating the Hall.

Please see the attached Floor Plan of High Wych Memorial Hall overleaf.

Please use the trolleys provided for moving chairs and tables to avoid injury. Chairs and tables should be re-stacked in the Memorial Hall as they were found.

There are basic First Aid bags located in the kitchen, the Committee Room toilet area and outside the disabled toilet. The Accident Book can be found INSIDE the First Aid bag in the kitchen.

There is a Baby Change facility in the disabled toilet.

## **Power Circuits/Heating**

The heating controls are located behind the kitchen door. The heating turns off automatically after 2 hours but can be reset. The heating can also be turned off manually if required. All users of the Hall are advised that any portable electrical equipment that they bring on site should have been PAT tested.

## **Car Parking**

The Memorial Hall has car parking space for approximately five cars if they are parked sensibly. Any overflow may park in the adjacent village car park. This is a non-paying car park. It is the responsibility of hirers to ensure designated disabled parking bays are used appropriately. The access road must not be obstructed. Unauthorised overnight parking by hirers and/or their guests is not permitted in either car park.

## **Hall Telephone**
